Tournament rules

Handicap start in all games. Each game will be 4 chukkas.

Each win will be 2 points.
Each draw will be 1 point.
Each lose will be 0 Points

The top ranking team from each pool will progress to the final.
The rankings will be decided on points. If teams are equal on points then they will be ranked on who beat who, unless they haven't played or there are more than two teams tied on points. Then rankings will be decided on net margins counting all games played, then gross goals and if still equal will be decided by the toss of a coin.

Umpires and 3rd man will be selected from the tournament players.
Players in both the 4 & 12 goal will still be required to do duties in this 4 goal tournament.
There will be a zero tolerance policy with respect to player behaviour.

All games will be played subject to weather conditions
