

23<sup>rd</sup> of August 2020

Dear Polo Community,

It's with great excitement that we announce the official opening of Melbourne City Polo operating from Werribee National Equestrian Centre. Melbourne City Polo has officially taken responsibility for WPNEC Polo Grounds from July 1, 2020.

A significant amount of work has been undertaken to get to this point by the members of the VPA and those of the Melbourne City committee. It was determined earlier this year that Werribee was critical to the long term accessibility of polo and with a rapidly changing environment, the VPA have done a fantastic job to steer the grounds in a new direction.

Melbourne City Polo's aim is to provide a platform from which the entire polo community can participate, regardless of the level of polo. The club endeavours to place a high value on inclusion and we believe this is demonstrated by the product offering.

We have established an enthusiastic committee that has contributed some great initiatives that we hope to deliver for everyone this year.

The committee is:

President	Troy McBean
Vice President	Luke Smallman
