

# Claim your Off The Track Horse

## Why

- To be eligible for OTT events and prizes
- To access subsidised training through OTT clinics
- To view your OTT's racing history
- To update your horse's post-racing profile with photos, news and results to allow followers to stay updated with their second career

## How

You will need the horse's registered race name, microchip number or breeding and clear photos which display markings and brands of both near and off side (max photo size is 5MB).

1. Create a member login **ottcommunity.com.au/register**
2. Check your email to verify your account details (check your spam folder)
3. Log back in and search for your horse **ottcommunity.com.au/search**
4. Click on your horse's name when it appears to view their profile page
5. Complete the Claim Thoroughbred form, including photos and horse details for verification
6. Racing Victoria's Off The Track team will check your claim form during business hours.

This is a one-off process and will allow your horse to be eligible for any OTT class or subsidy in any discipline in the future. In addition, you are playing your part in enabling Racing Victoria to improve visibility and better understand the movement of retired racehorses.

Any queries with the process can be directed to
